

Inference Practice: Where Am I?

Name: _____

Read each passage below. Write where you think the passage is happening and explain your answer.

1. As I walked in the door, I was amazed at the beautiful colors and smells. I knew it would be hard to decide what I would buy with my \$3. The chocolate truffles looked delicious, but they were expensive. The jelly beans were not only cheaper, but so colorful! With so much to choose from, I knew I would be here a long time.

2. The water felt so good on such a hot day. I heard the other children laughing and yelling across the way. The concrete was wet from a group of teenagers splashing each other in the corner. The lifeguard watched closely to keep children from running.

3. I was allowed to push the cart. The front left wheel was broken, so the cart wobbled down each aisle. Mother put various packages and boxes in the cart, but I didn't notice. I was trying to keep the cart going straight as it got heavier and heavier.

4. As we entered, a large blast of water hit the windshield. Huge flopping sponges began to slap at the hood as we slowly moved forward. Soon, there were suds spilling over the sides. I was glad the windows were rolled up!

5. It felt wonderful to be outside, even if only for a little while! All the swings were already taken, and a group was playing softball on the diamond. Casey and I decided use the monkey bars until the teacher called us.
